Imperial Sovereign Court of the Wild Rose
President of the Board

Ladies, Blokes and Non-Binary Folks,

On behalf of the Board of Directors, I welcome you to Coronation 44 – An Evening of Broadway Fun & Rock and Roll Mischief. I have been honored to serve as president this year. Being a member of the Executive Board is not an easy task, however, I am forever grateful for the opportunity to serve this organization and our community.

The Drag scene has exploded in our city and while this has brought an influx of new blood to our community, it has not been without its struggles. Between conflicting Drag shows and an over saturated Drag scene it, at times, crushed confidence to believe we could continue to do the good work we've been doing for 43 years. Davvid, Morgen, Mary, Angelo, Chris and Rexy, you should be proud of the work you did this year. Our community has seen turmoil this year, and you all navigated your reign with poise and grace.

To the rest of the board, I thank you for your dedication and service. Thank you for allowing me to serve along side you. We may not have always been in sync, but we were able to come together, communicate and compromise.

Thank you to our membership for your continued support, encouragement and love. It's always a delicate balance between progress and respect for tradition and I believe our ISCWR family is the best representation of both these sides.
I remain in service,

Empress 42
President of the Board

Coronation XLIII Week

Coronation XLIII Week

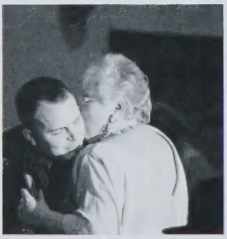

President of the College of Monarchs

Good evening friends and chosen family, It is with great pleasure and excitement that I welcome you all to Edmonton and Coronation 44 ~ An Evening of Broadway Fun and Rock & Roll Mischief! The Imperial Sovereign Court of the Wild Rose has had an amazing 43rd year doing amazing deeds and fundraising for Edmonton's LGBTQ2S+ Community.

The efforts of the 43rd reign have been focused on the youth of our community, specifically trans youth initiatives as well as the amazing cause Homeward Trust which strives to end homelessness in our community. It has been a tremendous and successful year and I am pleased to say it has allowed us to award a record breaking 19 bursaries to LGBTQ2S+ by means of the John M Kerr Memorial Bursary.

On behalf of the ISCWR College of Monarchs I wish to thank you for the love and support this year and for joining us to celebrate the achievements of Reign 43. Have an amazing weekend and we shall see you all in our travels during the reign to come.

Hugs and Love

Greetings to The Imperial Sovereign Court of the Wild Rose,

2019 is an important year for our International Court System. The 50th Anniversary of Stonewall and the 50th Anniversary of the signing of the first GLBT Civil Rights legislation in North America in the great nation of Canada. I have proclaimed 2019 as the Year of Trans Visibility and Empowerment in all Realms. I have also proclaimed that in 2019, the International Imperial Court System will recognize and honor at each Coronation, the First Nations and Native Americans whose land we took.

We should all be proud, that together, over the last 12 years of my Reign as your Queen Mother, WE have raised over $235,000.00 for the Mathew Shepard Foundation and Erase Hate Campaign. WE organized and lead the campaigns for the first ever US postage stamp in honor of a gay Civil Rights leader, Harvey Milk and the first naval ship, the USNS Harvey Milk. We have donated hundreds of thousands of dollars to benefit the poor, the GLBT and AIDS communities of Mexico as well as EGALE of Canada.

Congratulations on your year of noble deeds. Take a bow Regent Emperor 43 Davvid DragOn and Empress 43 Morgen Fair. You gave out 19 Scholarships of $500.00 You raised funds to eliminate homelessness, particulary LGBTQ+ youth and supporting trans youth initiatives and education. Both deserve a standing ovation for being true monarchs of service and kindness. I thank you for your service and dedication to your community. Congratulations

I remain: **"The strength of the Courts past and the promise of its future".**

God Bless All of You

Respectfully,
Empress Nicole the Great

CELEBRATING OVER 50 YEARS OF NOBLE DEEDS

Coronation XLIII Week

Regina Coronation

Greetings for the Imperial Sovereign Court of the Wild Rose, Coronation 44 Janis Irwin, Member of Legislative Assembly, Edmonton-Highlands-Norwood, Official Opposition LGBTQ2S+ and Women's Critic

On behalf of Alberta NDP Leader Rachel Notley and my NDP Opposition colleagues, welcome to the 44th annual Imperial Sovereign Court of the Wild Rose Coronation!

For 44 years now, the ISCWR has brought together LGBTQ2S+ community members and artists in Edmonton and beyond. This sense of community is so strong during Coronation weekend, but it's also strong throughout the year. This amazing group provides a warm and welcoming space for LGBTQ2S+ folks and does so much to support important causes in our community.

With the ongoing work of the ISCWR, I see our community getting stronger and stronger. The Alberta NDP remains committed to support your incredible work, and to protect the rights of LGBTQ2S+ people across Alberta.

I so appreciate how welcoming the ISCWR has been to me, and I am so excited to join you at the Coronation this evening and celebrate all of your hard work alongside you.

Thank you to the Court, organizers, volunteers, artists, and all who have played a role in putting on the Imperial Sovereign Court of the Wild Rose Coronation this year! Your hard work keeps our community vibrant, strong, and thriving.

Happy Coronation, friends!

Congratulations Morgen Fair & Davvid DragOn and your whole team on a legendary year!

The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

Morgen it has been my absolute pleasure and honor to stand by your side as you In-Town Half this year. Thank you for allowing to be even one small piece of your year. I'm so proud of you, and I hope this year was rewarding for you.

Before we were Drag Queens, before we were Empresses, before we joined the ISCWR, we were Best Friends and long after our time as Monarchs I will still be equally as proud to call you my platonic soulmate.

Enjoy tonight, it will be over before you know it and you'll reminisce about doing it all over again. I love you for always.

I will always look forward to Coronations where you, Walter and Bob, my personal Three Musketeers, will be present. I know that laughs, good conversations and shenanigans will ensue.

Anniversary Monarch, Empress XLII, Kenya DeWitt

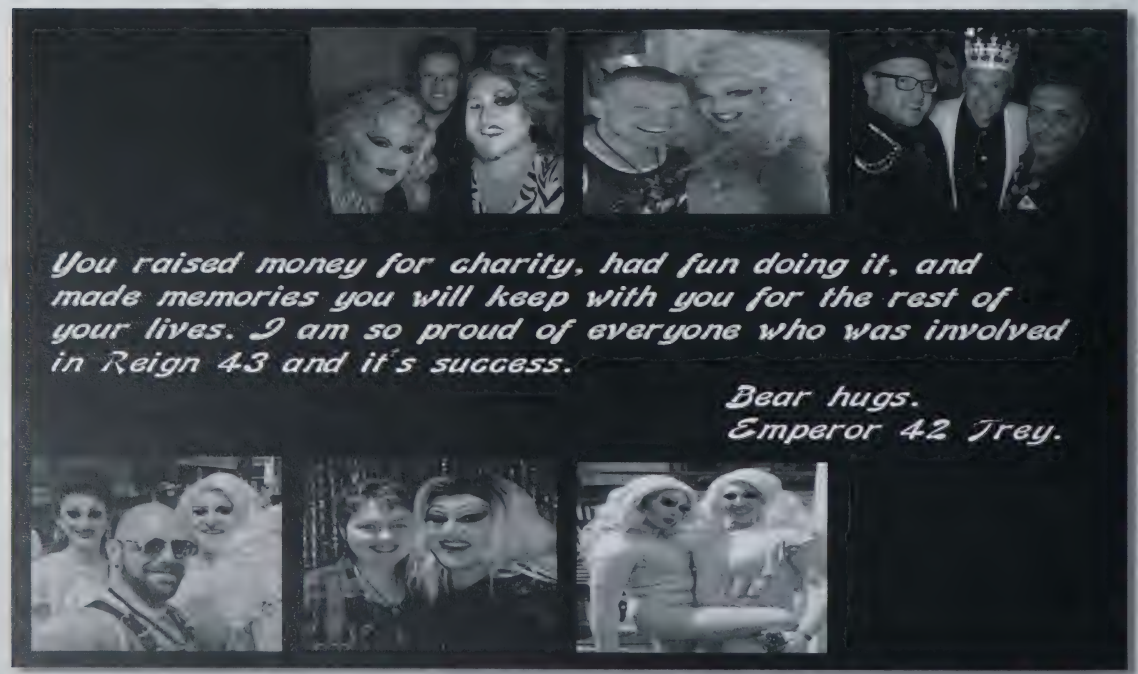

I know everyone starts their anniversary message with "I can't believe it's been a year"…but truly, it feels like yesterday that I was here celebrating Reign 42 with our awesome team. I may not have spent the year as Empress but that doesn't mean it wasn't a busy 365 days. Hell, its been a busy 1,095 days (that's 3 years in case you were wondering). I've never been one to do anything half assed and my involvement with the ISCWR is no different. I have been so blessed to have been welcomed into a community where I would build my chosen family. Never in my whole life have I felt the amount of love as I do from this organization. It's been an amazing journey and I am looking forward to taking a step back. With all the amazing and passionate individuals, that are involved with the ISCWR, there is nowhere for us to go but up!

Congratulations Reign 43 on a remarkable year and best of luck to Reign 44. The year is what you make of it and as long as your heart is in it, you'll make us all proud.

Much love,
Empress 42

Decade Monarch, Empress XXXIII, Marni Gras

My life looks nothing like what it did 10 years ago when I carried my son, my angel into the ballroom during my step down as Empress.

I became a bride to a wonderful partner who fell in love with me, the real me, and I love them fully and completely in return. I've become closer than ever to my beautiful son to whom I owe so much and love with all my heart. I found community and together we changed laws protecting the human rights of transgender and non-binary people in Alberta and throughout Canada. I found my voice; my words echoed on the floor of the Canadian Senate, in the apology that Prime Minister Justine Trudeau delivered to LGBTQ2S+ people in Canada in the House of Commons and throughout the world via media like CNN and the BBC. I found an amazing career that gives me the opportunity to positively impact the health of LGBTQ2S+ people across Alberta and Canada. I found peace, love and happiness in all areas of my life. I found ... me.

Of all that has happened these past 10 years, one thing remains the same ... my sincere and never ending gratitude for being part of this community and the ISCWR where I found a home, family and a safe place to find and eventually live my true self – without which many of these accomplishments in the past 10 years would never have been possible. Thank you for your love and support through it all.

I can't believe that it has been a decade already since our Reign. (Reign 33) Time passes by so fast yet everything is still like it was not that long ago. It has been such a pleasure to be a part of such a great organization the Imperial Sovereign Court Of The Wild Rose and doing all the fund raising, shows as well as travels to other cities and to be with people who are like family that work so hard to make it all come together. I have met so many people along the way over the years that have become good friends and so many good times that I will always cherish and hold in my heart.

There are so many people that I would like to thank for helping me along the way not only during our reign but over the years as well. Too many to mention here but I think you know who you are. Some main people that I would like to thank during our Reign is my late husband Chuck (Lonestar) Peterson Emperor 31 for getting me started with the I.S.C.W.R. and will always be a part of me and in my heart forever. Marni Gras for being my Empress, (Crown Prince) Big Daddy Pump, (Crown Princess) Kelsey Breeze, (Grand Duchess) Ivanna Diamonds, (Grand Duke) Randy Quiver, our in town halves and our out of town halves. Also I would like to say Thank You to all fellow Monarchs and Reigns of the past, present and future for keeping our Court going strong.

Wow, the year is over already! Can you Believe it?

This year has been an emotional roller coaster for me. I'm just glad that I have had an amazing group of people to be alongside for the ride. I definitely didn't think it was going to be as difficult as it was, but I'm glad I did it. Reign 43 is an experience that I will keep close to my heart. Not only because I did it, but because of all the love and support that helped me get through it. Going into this, I didn't think I could have gotten closer to the people surrounding me, but I've made closer bonds with people that I have never expected to. My wall is up going into most things, but I'm more willing to take it down now than I was before. I have so much love, and the utmost respect for the people who have guided and surrounded me this year. Every piece of advice and guidance I've received this year doesn't just apply to the Imperial Court System, but extends to everyday life. I'm sad that my time as Duchess 43 has come to an end, but I'm happy to have made this a part of my life that I'll never forget!

To The Upper House of Reign 43:
It was amazing working with all of you, and I only wish the best for everyone's futures! You all inspire me in different ways, and I cannot express how much love I have for everyone!

To all the people who have guided me and supported me this year:
Words cannot express how much gratitude I have for you! I love you all so much! Thank you for helping me become a better part of the team, and helping me become a better person in life!

To end this, there's only one thing to say:
MAKE GOOD CHOICES!

Good Evening and Welcome to Coronation 44! I'm so excited to have you all here and I cannot thank each and every one of you enough for your amazing love and support over this past year! August 2019 marks my 5 year drag birthday and if you would have asked me that after only 4 years I would be throwing my hat in the ring I would have told you, you were crazy! But here we are! It has been an amazing year! I decided to run for Empress this year because it just felt right! When you know, you know ,and this was my year! This was the year we needed to take some risks and try some new things, and we did just that! This year has been filled with some real ups and downs within our community, but as a community and an organization we rose to the top! Once again we as an organization will be making history on multiple levels. So, as much as we are here to celebrate the successes of this year, we are really here to celebrate you, to celebrate the amazing community that we are all apart of! Again, Thank you for being here to celebrate the amazing successes of the 43rd reign and the successes of our community!

Ivy League– It would be a huge understatement to say that this year would not have been as nearly as successful without all your hard work. I have had the true honour of watching you grow from a baby queen to a true performer and community advocate and you should be incredibly proud of all your hard work. <3 Thank you.

Ruby – This year I truly believe that our friendship mended itself, I'm so thankful to have you a part of my life. If not for you and your mentorship over the last few years I don't think I would have been ready to take on the challenge of Empress. You will forever be my Empress and one of my best friends.

Dyxson – Words will never be enough to express the tremendous amount of gratitude and love I have for you. When all else failed I knew that I could count on you for an ear to listen to and I'm so thankful that I could have you along this journey with me as our EOY. Thank You for all you do for me.

The courts of Vancouver, Winnipeg, Regina and Calgary, fellow courtiers from Toronto, Minnesota, Portland, Surrey, and Las Vegas – Thank you for another amazing year of community friendship. Your hospitality is like no other and congratulation to all of you on another amazing year and to those whose coronations came before us! Best of luck with the rest of your year!

Flo Mingo – What is one to say about you… your never ending disgusting messages that filled my inbox, rude jokes, and inappropriate humour certainly made for some cringes and laughs… but I wouldn't change you or it for anything! Thank you for being so supportive, adding humour and love to my life. Thank you for being family.

Walter – I'm so happy that we grew closer over this past year. No single person made me feel more appreciated and like royalty than you. From getting out to open the car door for me, to your constant appreciation for our hard work. You made me feel beautiful and look beautiful with your dresses <3 Thank you for a year of friendship and I cannot wait for our friendship to continue! <3

Vanity – My idol, my mentor, my friend, my mother. I'm so blessed to be apart of the Fair family legacy. I could not have survived this year without your support and guidance. You knew what I needed and needed to hear at the exact moment I needed it. You were a constant ear when I needed it and never made me feel like I was anything less than perfect. Thank you for being an incredible person and for making so many of us feel loved. I love you more than you know and I hope I made you proud <3

Evolution Wonderlounge – Thank you for your continued partnership and support for the ISCWR and all we do. Your love for the community and charity work is admirable <3 Congratulations on another amazing year of community partnership and being a truly inclusive venue.

Olebia and my Sephora Family – When I decided to begin this journey I knew I could not do it without your support. You have all been so incredibly supportive, flexible and a beyond patient with me during this past year and I'm so grateful to work somewhere that is just as passionate about what I do as I am. I could not ask for a better family of people to work with every day and am truly blessed for the life and career I have. I love you all so much <3

Mom – To say our life journey has been strenuous and full of its fair share of ups and downs would be a huge understatement. 5 years ago I began this journey and you were onboard and supportive from the very start! Over the years family often came second to drag and for that I apologize. This past year was my final journey of putting drag first. Now it's time for us, for family and to reprioritize. I'm so blessed to have the most amazing mother and could not imagine anyone more supportive of me. Thank you for loving me for me and for being so patient. I love you so much <3.

Devine – Queen, what can be said. I could not have made a more right choice having you as my ½ Empress this year. I knew from the very beginning that you were my choice. You have been so incredible this year, far exceeding what I ever expected of you. Your constant check-ins and well wishes before every event, to our frequent visits full of laughter and friendship. You were exactly who I needed by my side this year to survive the journey. I'm so grateful for you and your friendship. Thank you for everything <3.

Tosheena – I love you so much! These past years have been truly the best years, I'm so grateful every day for our friendship. Thank you for always supporting me and being there for me when I felt like no one else was. You took on two big roles this year as my in town ½ Empress and board President. Thank you for everything you did for not only me but for our organization this year. You worked hard and we did some amazing things. It's been great, but I'm very much looking forward to some downtime and a lot of much needed best friend time <3

Mary – Girl, I love you. You were my deciding factor, I knew I wouldn't be able to do this without you. It took some convincing but I'm so glad you said yes and I'm so proud of everything you accomplished this year and you should be proud of it all! Thank you for being one of my best friends, sisters and my princess <3

Chris & Rexy – Thank you for everything. You were such and amazing part of our team and I'm so glad that we were able to grow closer over this past year. You should be proud of how well you both did and I cannot wait to see where your futures go with this organization.

Sam – This year has been a long time coming for you, and I'm so glad that I was able to be a part of your year as prince. Thank you for all your hard work and dedication <3

Davvid – To say that I was nervous and scared sick when I found out that I would potentially be your Empress is a big understatement. Our year started off with me working hard to prove that I could stand up to the likes of you, but this was quickly relaxed when you showed me how incredibly supportive, kind, hardworking, patient and willing to teach me you were. I felt nervous about doing everything right and about not being ready, but over this past year you have allowed me to flourish and have truly played a hand in helping me grow into the Empress that stands beside you today. I'm eternally grateful for your friendship and mentorship and could not have asked for a better person to spend this year with. I look forward to years of friendship and travelling the court system as a team. E&E 43 forever and I wouldn't have it any other way. Thank you.

And the best for the end. *Grayson You didn't notice, but I sat beside you writing this on August 8th, at approximately 9pm, the entire time holding back my tears, until you got up and tickled my feet. :p I could not have done this without you. It's true when they say that every Empress needs a good support, and I truly had the best. Week after week, night after night, event after event you were there. You came, you volunteered, you supported. Not because I asked you to, or expected you to, but because you wanted to. We took a big risk jumping into this so fresh into our relationship and even though we had a good idea what it would be like there was a lot of unknowns and unexpected bumps in the road. The year was full of ups and downs but at the end you stood by my side the entire time and I'm so incredibly grateful for everything you did. The success of this year owes itself a lot to you and your support for not only myself but for the entire 43rd reign. Grayson, I love you so much and I cannot wait to spend many more years with you and for us to be able to focus on our future. I love you xoxo.*

To anyone else I missed, and to everyone else that was involved in this year. Thank you again for your support and helping us with pulling off what is yet another amazingly successful year of fundraising and community involvement. We could not have done it without each and every one of you.

His Most Imperial Sovereign Majesty, Emperor XLIII, Davvid Drag On

Good evening to everyone attending tonight's festivities. It is hard to believe that the year has passed since I was standing/kneeling on this stage pledging to do my best to fulfill the duties of being Emperor 43 Elect of the ISCWR. The idea to run for Emperor started jokingly when I was President of the Court, but became much more serious after serving as Prince in Reign 40. I am so delighted that I carried through with it as it has been a year that I will not soon forget with memories to last the rest of my life! I have met so many wonderful people and reconnected with many others this year and even though I cannot mention all of you below, please know that you have all touched my heart. It has been a true honour and privilege to serve as Emperor 43 for this great organization.

One week after stepping up **Yeust Bobb** and myself were off to help celebrate at **Calgary Pride.** It was a day filled with so much fun and energy. Thanks has to go out to **Devious** and **Sluggo** and the rest of the **Imperial Sovereign Court of the Chinook Arch** for allowing us to ride on their float. Seeing all the people lined down the streets of Calgary cheering and celebrating was great to see.

Regina - The following weekend saw us heading down the road to Regina for **Morgen** and my first out of town Coronation. Regina is my hometown and is known for their hospitality and they certainly did not disappoint. It was a pleasure to see **Iona** and **Adam** step down and watch two enthusiastic people step up. **Maya** and **Ryan** it was great to spend time on the circuit with both of you and I will be there to watch you step down in a couple weeks. Congrats on your year!

Vegas - Vegas was my one Out of Country Coronation and it was everything you would expect Vegas to be. **Midori** it was wonderful to meet you at Calgary Coronation and I enjoyed your and **Mikey's** step down. You both had an excellent year. **Taylor** and **Alex** it has been fun watching your year unfold. A great highlight of my Vegas time was receiving **The International Imperial Order of the Double Eagle** from the **Queen Mother**. I was truly humbled! One of the non-court experiences that was one not to forget was spending seven hours walking the Strip with **Yeust Bobb**, **Randy Spearhead** and **Ronald Brankley**. Thanks guys for putting up with my Tourist Guide abilities.

January saw us hitting the road south to Calgary again for the **Bursary Show** put on by **Tony and Devine Sensation.** Morgen, Walter and I had a great time with the Calgary people raising money. Thanks Tony, Devine, Fred and Barkley for the time spend together after the show just sitting back and having a chance to relax and chat.

Vancouver - It is always great to get out of the snow and see some green grass, flowers and the ocean. Thanks Vancouver for holding your Coronation in March so we can get away from the cold for a bit. **Misty** and **Chris** I am so glad I had a chance to get to know you better on the circuit. You and your upper house made a real impression at our step up and it was an honour to see you both step down, congrats on your year. **Alma** and **Del,** you are continuing to carry on the tradition that the Dogwood Monarchist Society are known for. Best of luck on the rest of your Reign. **Daniel Barrows,** it was great spending time with you at the brunch and getting to know a fellow Foxx brother a little better.

Calgary - Our sister city is always so welcoming to us. **Devious** and **Sluggo,** I couldn't have asked for a better pair of Albertan's to Reign with. Congratulations to both of you on a very successful year. **Tim** and **Natasha,** it has been a pleasure serving the first part of your reign with you. I know you will both continue to have a very successful year and look forward to seeing what you have in store. It was so great to have 30 people walk with the ISCWR during the Court Walks!!

Surrey - Always one of my favorite Coronations to attend. Bobb, Walter and I always enjoy the weekend of seeing friends and making new ones. **Dennis** and **Adrian,** congratulations on your year. **Martin** and **Myria,** as seasoned Monarchs, you know what it takes to have a successful year and I am sure that you will use that knowledge to succeed. Have a great rest of your Reign. **Vonda** and **Nick,** it is always special spending time with you. Vonda, congrats on your Princess year, we miss you here in Edmonton.

Winnipeg - Although I was extremely saddened that I could not attend, I know the people that went and represented the ISCWR had a great time. **Barry** and **Pieter**, congrats on your year. It was great to see you on the circuit. **Dusty** and **Foxy,** although your reign is just beginning I know you will rock your year. I look forward to watching you throughout your reign.

So here we go!!!! That brings me to **Edmonton!!!** I cannot begin to individually thank everyone that have supported us this year. Just know that your support is truly appreciated!! Love and Hugs to all of you!
To my family, extended family and friends, thank you all for your love and support throughout this year, it has meant the world to me. As a special note, I would just like to thank everyone that contributed to the "Save your Empties" campaign this year. A amazing amount of money was raised from it and it was great to chat with people when I came to pick up the empties.

Walter - what can I say to someone who has stood by me this year without too much complaining, thank you is really not enough for all of your love, support and help this year. I am truly blessed to have you in my life.
Grayson - getting to know you this year has been a true pleasure. I have enjoyed our times visiting, eating, travelling. I must apologize to both you and Walter that the First Husband Club did not have as many monthly dinners as you had hoped but maybe once things have settled down Morgen and I will be able to make up for it!

Evolution Wonderlounge - The year would not have been as successful with out your support. Rob, Murray and Scott, thank you so much for everything you do as well as your generosity to a variety of groups. Oh and not to mention a safe and great spot to party.

To the Lower House - Thank you so much for working with us throughout the year. The year would not have been nearly as successful without all of you putting in the effort that you did. I have to single out one special person that is certain to go places both in their personal life and in the Drag World... **Ivy League,** you are amazing and thank you for everything that you did for our reign.

My Ambassadors - Tony, Cory and Kerry, Thank you so much for your support this year, I have admired each of you and tried to model myself after you.

To the Upper House - This year was such a pleasure working with each of you. We melded as team at the beginning of the year and just kept getting stronger as the year went on. Each of you brought a different and unique perspective to the Upper House and I thank each and every one of you.
Rexy - I love you and your smile. We could not ask for a better person to sell 50/50 tickets... "It's for Charity"
Mary - Girl, you know how to raise money!!! Thank you for putting the Court first among all of the ventures who are involved in. Best of luck in your future endeavours including "Party Queens"
Chris - it was a pleasure having you as my Duke this year. I know you have future aspirations and I hope this year helped in preparing you for them. Best of Luck!
Sam - I was thrilled when you said you would let your name stand for Prince. I wanted to give you some insight into the Court System and no matter where your future takes you, you will have made connections and friends that you will carry throughout your life. Thank you for your support this year, I hope it was everything you hoped it would be.

To my Halves - Stephanie, from a chance meeting in a Deli in Palm Springs to meeting you on the circuit, a true friendship formed. Thank you so much for being my Out of Town half this year and for the honour (Canadian spelling, lol) of the Foxx name, I am truly blessed to know you. **Bobb**, speaking of true friends, you are one of my closest. We have been involved in the Court for about the same amount of time and have shared so much together over the years; travelling, meeting people, shows, duets. We have had great discussions and shared many stories. I am so lucky to have you and **Rick** in my life.

Morgen - I am so impressed with you this year. You amaze me. I could not have asked for a better Empress to stand beside me this year. We have gotten along so well and brought out the best in each other. I have cherished our time together, whether it was in meetings, dinners, social time or travelling the circuit and it has made my year as Emperor so much more fulfilling. I love you and know we will remain friends for a long time! Love and hugs!!

Expressing myself through words has never been easy for me, I feel like I'm doing a school project lol. But I'll try my best.

First I want to thank everyone, a lot of people have helped me grow, helped me figure out who I am, and have helped me become the man I am today. Of course, my wonderful parents have been a huge part of that. I couldn't be here if I didn't have such great and supportive parents. Thank you **Mama** and **Daddyo.** And to my big ass adopted family, thank you **TJ, Kari, Michael, Brian, Walter** and **David.** I love you, thank you for being my family. I want to give a special thanks to **Lewis** and **Ferris**. You two have supported and helped me in so many little ways, but they all meant so much to me and you have helped a lot, thank you, I love you.

And of course thank you to my fellow upper house members. **Chris**, my buddy, it was great reigning with you. **Rexy**, it was a blast hanging with you, I had so much fun and I think we have become closer as friends. **Mary**, I'm glad you were my Princess, though we didn't see each other a lot this reign, the times we did were fun, and our height difference still makes me laugh. And of course, a big thank you to **Morgen** and **Davvid**. Morgen, you were an amazing Empress, and I'm proud to call you mine. And Davvid, thank you so much for asking me to join you on this adventure, I had so much fun.

After practically being adopted by the court almost 6 years ago, being a member of the upper house was a very important to me in showing my support. When LJ asked me to be his Prince 2 years ago, something we had been planning for years, I was so excited, scared and nervous as well, but mainly exited. But sadly, our Journey together never got to fully start, and I thought I never wanted to be anyone else's prince. But then, a year later, David asked me to be his Prince, and I accepted. Not only to help someone close to me, a good friend, practically family, but to do it for LJ.

I didn't do this reign for myself, yes it gave me experience and helped me grow a bit, but I agreed to do this reign in support of my family. Supporting David and the Court was my main goal and focus, and all I can do is hope that I did a good job, I think I did.

The 31st Mz Gay Edmonton—Ivy League

Isn't it odd, how you look up from the work you're doing and realize the year has come to a close? I suppose that's living, especially when you're working with the longest standing queer organization in Alberta! Congratulations to Morgen, Davvid, Mary, Angelo, Rexy, and Chris for all your hard work and dedication to the ISCWR over your reign. This year delivered some exciting (and sometimes daunting) twists and turns which we, together, faced with poise, enthusiasm, and elegance; raising a boat load of money!

Serving as your Mz. Gay Edmonton has been an absolute honour. The privilege of #werking to raise money, and awareness for the ISCWR has been enlightening, fun, challenging, and rewarding. To my biggest mentors and supports this year: Tosheena, Vanity, Divina, Ruby, and Momma League, I couldn't have accomplished what I did without the continuous love and support you provided to this little queen, as she not only navigated this title, but her final year of her undergraduate degree too. You made sure I took care of myself, so that my existential burnout didn't turn into a supernova, or black hole.

My time as Mz. Gay surprised me. I consistently strived to do my best and support my community, but the support and fulfillment that my community gave me in return greatly outshone the work I that I have invested. I can't help but feel so lucky, and so humbled.

Pheromone and Colin, all the best in your upcoming year! I'm so excited to see how you two will engage with your roles. I know that at minimum, the work you do will be nothing less than fabulous; if you ever need anything at all, you know where to find me.

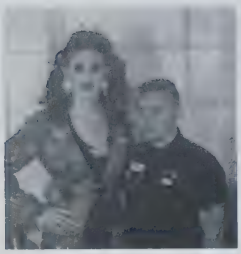

Knowledge brings us power, but empathy makes us human. Be smart, be kind, and be fierce.

Love,
Ivy League

Entertainer of the Year 2018

Thank you Morgen and Davvid for having me as this Reign's Entertainer of the Year!

It was an honour to be the first drag king with this title. Shout out to everyone who supports me, the drag king community, and the organization.

I look forward to continuously trying new things and encouraging new members to support the future of the ISCWR.
